I was Co-Planner for PNA-NY's Annual Picnic (2019, 2018, 2016) and the Christmas Party (2019, 2017), and frequently participate in community initiatives, like PIDC Parade and First Aid Booth (2016-2018), PACEC Health Fair (2017), the Feeding Program in Papanga with PNA-NY Cabinet (2018), and providing Hands Only CPR Training for Faculty at Cavite Institute (2016) and at the Philippine Consulate (2018).

Brief Position Statement:

I am running for President-Elect to promote our shared values, to:

CONNECT. Our organization is its membership—I will promote PNA-NY statewide. With an EB balancing acute and long-term care, we will grow together.

INSPIRE. New nurses are healthcare's future, and mentorship empowers them today. I will foster resources, for every member, to succeed in their profession.

DO. PNA-NY is the intersection of our communities. Let's give back, focusing on organizational collaborations and involvement for wide-reaching work.

LEARN. As our profession evolves, so should we. I am dedicated to educational offerings in acute and long-term care.

Salamat po.

7. Nora Ruth Eusebio, MSN, RN
Martine Center for Rehabilitation

Education: Mariano Marcos State University (MMSU),Batac, Ilocos Norte, Philippines, 1988, BSN (Cum Laude); Herbert Lehman College, City University of New York(CUNY), Bronx, New York, Year 2002, MSN

Brief Profile:

I am currently the Director of Nursing at Martine Center for Rehabilitation and Nursing located in White Plains, Westchester County, New York. This is a 200 bed Skilled Nursing Facility and I am responsible in the daily operations of the nursing department and is in charge of the facility in the absence of the Administrator. Under my leadership in collaboration with other clinical experts since 2019, Martine Center emerged as top 3 consistently among 50 nursing homes in the organization in terms of Reduction in Re-hospitalization. In addition, Martine Center is in the process of implementing a Cardiac Unit Program as one of the many specialties the facility will be offering. I have been an active PNA of New York Board Member since 2018. I partnered with other Board Members in the Ways & Means and Community Outreach Committees. I have played a major role in obtaining sponsors for blood pressure and finger stick checks and other give away items during community outreach events. Moreover, I have also been active in recruiting new PNA of NY members and joyfully procuring major sponsors for raffles as part of fund raising campaigns during PNA of NY events.

Brief Position Statement:

As an active member of the PNANY Board of Directors since 2018 and a member since 2017. This challenging position has led to countless, fulfilling experiences and memories shared with other inspired and

involved officers, members and advisers of this prestigious nursing organization. The PNANY has been instrumental in many community outreach programs both local, national and international. As an organization, we are very active and focused on the educational and national issues affecting nursing practice. As a Director of Nursing for many years, and having worked in different nursing leadership roles, I could readily understand the predicaments of our fellow nurses of the challenges they face as they carry out their daily job responsibilities while keeping a fine balance and within sound financial budget. My educational background (MSN and BSN) along with 30 years of progressive work experience in the acute care and skilled nursing facility settings have prepared me to be a successful Director of Nursing and a PNA of NY Board of Director. I envision PNA of New York as an innovative and victorious leader among nursing organizations and to become a strong and tenacious advocate for nursing practice issues at the national level.

8. Elizabeth M. Nacional-Rivera, BSN, RN
Lincoln Medical Center

Education: University of the East Ramon Magsaysay Memorial Medical Center, 1980, BSN

Brief Profile: I started working at Lincoln Medical Center in the South Bronx, NY in 1986. I am currently the Head Nurse of the Pediatric Emergency Room, one of the busiest emergency rooms in the nation. I participated in countless events in our medical center, including the hospital's emergency department community outreach program where the Pediatric ER coordinated with the Bronx Regional Asthma Coalition - one that I personally helped facilitate. Our goal was to reduce the pediatric population with asthma and asthma related ER revisits.

I joined the PNA-NY in 2006 and became a Board of Director in 2010. I have been serving as Chairman of the Ways and Means Committee for two consecutive terms, where I collaborated with other committees to make events to educate other nurses and fundraisers to increase the organization's financial viability. I am also a member of the Community Outreach Committee, where I have participated and collaborated in numerous community outreach programs and health promotion activities with PNA-NY.

Brief Position Statement:

I have been a highly motivated member of PNA-NY, Inc. since 2006 and an officer for four terms. I plan to continue to serve as Board Director by:

- Participating with the community outreach committee in fostering various health promotional activities,
- Working with the education committee to create educational programs that transform trends in nursing service, promoting the highest level of safe quality patient care,
- Creating new fundraising ideas that will increase the organization's financial sustainability, and
- Recruiting new members and bringing them into our group with a warm welcome.

BE ACTIVELY INVOLVED!

VOTE FOR ME!

9. Maia Santarina, BSN, RN
Morningside Nursing and Rehabilitation Center

Education: Wesleyan University, Philippines 1990 BSN, MSN

Brief Profile: I have been practicing my RN profession here in NYC since 2003 specializing in Long Term Care Nursing. My career trajectory started as a charge nurse in one of the nursing homes in Brooklyn wherein I believe my career started and proceeded in joining other corporations to continue my professional growth. I have been a part of long term care facilities that are teaching facilities and mentoring nursing students. I am currently the Director of Nursing Services of Morningside Nursing and Rehabilitation Center since September 2019. I am currently an active member of PNA NY since 2016.

Brief Position Statement: My experience in Long Term Care Nursing since 2003 provides me with a strong perspective and insight to promote the organization to the Filipino nurses that works in LTC and be able to bridge that gap. I am avid supporter of reaching out to the younger generation who will be the future nurses and leaders, not only to encourage the younger generation to be active members of the organization as well welcome new insights and ideas to promote or educate what the organization is all about. I know that I will be an asset to promote our goals.
